

Dear Robert, and LCEC,

5/12/20

Thank you all so much for working with us in such a cooperative way. Helping us with hand sanitizer and spray bottles is much appreciated! We are all hoping to safely return to full operation soon and this helps us all.

Thank you again!

I'd like to take a moment to
say a huge Thank you for
the grant awarded to
Plains First Baptist Backpack
Kids organization. This
will help not only feed
some kids, but I will
be able to feed families
in need. Thank you for
caring so much about
the community. Thanks
again for the generous
grant.

Blessings to
All -
Christy Martin
