

Thank you so much for the graduation money! Despite Covid, I am very excited about college & what the future holds for me. I will first attend McHenry Community College. After which, I intend to transfer to Baylor University. I am currently registered as a Biochemistry student, but I am not yet sure which field I will pursue. Thank you for honoring the graduation of the Class of 2020!

Sincerely,

Bygone
Michelle Miller

Dear Scholarship Donor,

I am sincerely honored to have been selected as the recipient of the LEA County Electric Scholarship.

Thank you for your generosity, which has allowed me the opportunity to attend SPC.

Thank you,
Alic Williams

Thank you Lea County Electric Coop. for granting me the Scholarships. I appreciate your recognition of my efforts.
